RE: 2018 APWA Sacramento Chapter Charity Golf Tournament

Dear Sponsor:

We are excited to announcement the details for the APWA 2018 Annual Charity Golf Tournament and we want you to join us!

Due to popular demand, APWA Sacramento Chapter is once again hosting our annual charity golf tournament on June 15, 2018, at Lincoln Hills Golf Club at Sun City in Lincoln, CA. Lincoln Hills is a unique golf club in that it hosts two 18-hole courses and we expect to fill them both! All proceeds go to our educational and scholarship programs, where we annually provide \$1500 in scholarships to qualified applicants. Additionally, as funds are available through our Education Endowment Fund (EEF), we award \$15,000 grant funding to local colleges and universities for equipment or other necessary educational tools. We believe that by assisting our local universities in acquiring important and necessary state of the art equipment, we are proactively helping to increase the quality of education for our future work force.

We are inviting you to participate in this exciting event by offering several options for sponsorship, detailed on the attached flyer. We offer sponsorships separately from the cost for players' registration for ease in accounting; the cost of golf per player is \$90 or \$360 per foursome.

Please join us for a fun-filled day, bringing you together with other golf enthusiasts and corporate sponsors, teeing-off in support of our colleges and universities! We value your participation at this event and would greatly appreciate your firm's sponsorship at any level. While we have two 18-hole courses at our disposal this year and therefore more space, registration fills up quickly so please register early!

As public works professionals, we are thrilled to support this event as the Golf Tournament Public Works Advocacy Group. Our role is to support the tournament's sponsorship efforts and encourage participation toward the continued success of this event. Lisa Thut, Geocon, is the Tournament Chair and will be the primary contact regarding registration and logistical details. Please feel free to contact her at (916) 852-9118, x525, (916) 759-3851 (c) or at thut@geoconinc.com, if you have any questions. Thank you again for your sponsorship consideration and continued participation in our chapter activities.

Sincerely,

Rebecca Neves
