“Roundabouts - Coming Full Circle? Case Studies From San Joaquin County Public Works”

By

Kris Balaji, P.E., P.M.P.
Director of San Joaquin County
Public Works Department

Do you like driving through roundabouts? It seems like they used to be common many years ago. Then they became less common as people wanted to get there more quickly. Come see a presentation about how and why San Joaquin County is using roundabouts again like many other cities/counties.
